

THE HEIGHTS PRIMARY FREE SCHOOL IMPACT ASSESSMENT

PRIMARY – TEMPORARY SITE

School name	Distance from free school	School type	Capacity	KS2 2013 (% achieving level 4 or above in Reading Test, Writing Teacher Assessment and Mathematics Test)	Ofsted grade	Impact rating
St Anne's RC Primary	0.1	Primary (Mixed 4-11) Voluntary Aided, RC	<p><u>Overall</u></p> <p>237 places</p> <p>56 surplus places across the school (23.6% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 30</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	67% Below national (76%) and authority (69%) averages.	Inadequate Date of most recent OfSTED inspection November 2013	<p>MODERATE:</p> <p>Although St Anne's is oversubscribed for September 2014 and the proposed permanent site for The Heights Primary will be beyond a 1 mile radius of St Anne's, the school has a high % space places available across the school, its results are below the national and authority averages and had an inadequate OfSTED rating following its last inspection in November. In view of this, and the fact that there is no projected basic need in the planning area between 2014/15 and 2017/18, we believe that the free school may affect the long-term financial viability of St Anne's.</p>
Thameside Primary	0.1	Primary (Mixed 5-11) Voluntary Aided, RC	<p><u>Overall</u></p> <p>370 places</p> <p>47 surplus</p>	54% Well below national (76%) and authority (69%) averages.	Requires Improvement Date of most recent OfSTED	<p>MODERATE:</p> <p>Although Thameside is oversubscribed for September 2014, the school has 12.7% space</p>

			<p>places across the school (12.7% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>		inspection November 2013	<p>places available across the school, its results are well below the national and authority averages and had an requires improvement OfSTED rating following its last inspection in November 2013. In view of this, and given that there is no projected basic need in the planning area between 2014/15 and 2017/18 The Heights Primary may affect the short-term financial viability of Thameside even though it will be located over a mile away from the proposed permanent site for The Heights.</p>
E P Collier Primary	0.5	<p>Primary (Mixed 3-11)</p> <p>Community, non-faith</p>	<p><u>Overall</u></p> <p>210 places</p> <p>37 surplus places across the school (17.6% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 30</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect</p>	<p>69%</p> <p>Below national (76%) and matches authority (69%) averages.</p>	<p>Good.</p> <p>Date of most recent OfSTED inspection November 2012</p>	<p>MODERATE:</p> <p>Although E P Collier Primary school has 17.6% of surplus places available across the school, it has been rated by OfSTED as good, its KS2 results are consistent with the authority average (although below the national average) and the school is oversubscribed for September 2014. In view of this, The Heights Primary is unlikely to affect the long-term financial viability of E P Collier even though there is no projected basic need in the planning area between 2014/15 and 2017/18.</p>

			all entry level places to be filled.			
Caversham Primary	0.5	Primary (Mixed 5-11) Community, non-faith	<p><u>Overall</u></p> <p>450 places</p> <p>No surplus places across the school</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	93% Well above national (76%) and authority (69%) averages.	Outstanding Date of most recent OfSTED inspection February 2009	<p>MINIMAL:</p> <p>Caversham Primary has been rated by OfSTED as outstanding, its KS2 results are well above the national and authority averages, it is oversubscribed for September 2014 and it has no surplus places across the school. The Heights is unlikely to affect the long term financial viability of Caversham Primary even though there is no projected point of entry basic need in the planning area between 2014/15 and 2017/18.</p>
Micklands Primary	0.9	Primary (Mixed 4-11) Community, non-faith	<p><u>Overall</u></p> <p>420 places</p> <p>86 surplus places across the school (20.5% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials</p>	63% Below national (76%) and authority (69%) averages.	Requires Improvement Date of most recent OfSTED inspection September 2013	<p>MODERATE:</p> <p>Although Micklands is oversubscribed for September 2014 and the proposed permanent site for The Heights Primary will be beyond a 1 mile radius of Micklands, the school has a high % space places available across the school, its results are below the national and authority averages and had a requires improvement OfSTED rating following its last inspection in September. In view of this, and the fact that there is no projected basic need in the planning area between 2014/15 and 2017/18, we believe that the free school may affect the long-term financial viability of Micklands.</p>

			<p>understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>			
The Hill Primary	0.9	<p>Primary (Mixed 4-11) Community, non-faith</p>	<p><u>Overall</u></p> <p>420 places</p> <p>9 surplus places across the school (2.1% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	<p>72% Below national (76%) and above authority (69%) averages.</p>	<p>Good</p> <p>Date of most recent OfSTED inspection November 2013</p>	<p>MINIMAL:</p> <p>The Hill Primary has been rated by OfSTED as good, its KS2 results are above the authority average (although below the national average), it is oversubscribed for September 2014, it has few surplus places available across the school and the proposed permanent site for The Heights Primary will be beyond a 1 mile radius of The Hill. In view of this, The Heights is unlikely to affect the long-term financial viability of The Hill.</p>

PRIMARY – PERMANENT SITE

School name	Distance from free school	School type	Capacity	KS2 2013 (% achieving level 4 or above in Reading Test, Writing Teacher Assessment and Mathematics Test)	Ofsted grade	Impact rating
E P Collier Primary	1.0	Primary (Mixed 3-11) Community, non-faith	<p><u>Overall</u></p> <p>210 places</p> <p>37 surplus places across the school (17.6% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 30</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	69% Below national (76%) and matches authority (69%) averages.	Good. Date of most recent OfSTED inspection November 2012	<p>MODERATE:</p> <p>Although E P Collier Primary school has 17.6% of surplus places available across the school, it has been rated by OfSTED as good, its KS2 results are consistent with the authority average (although below the national average) and the school is oversubscribed for September 2014. In view of this, The Heights Primary is unlikely to affect the long-term financial viability of E P Collier even though there is no projected basic need in the planning area between 2014/15 and 2017/18.</p>
Caversham Primary	0.9	Primary (Mixed 5-11) Community, non-faith	<p><u>Overall</u></p> <p>450 places</p> <p>No surplus places across</p>	93% Well above national (76%) and authority (69%) averages.	Outstanding Date of most recent OfSTED inspection February 2009	<p>MINIMAL:</p> <p>Caversham Primary has been rated by OfSTED as outstanding, its KS2 results are well above the national and authority averages, it is oversubscribed for September 2014 and it has no surplus places across the school. The Heights is</p>

			<p>the school</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>			<p>unlikely to affect the long term financial viability of Caversham Primary even though there is no projected point of entry basic need in the planning area between 2014/15 and 2017/18.</p>
Wilson Primary	1.1	<p>Primary (Mixed 3-11)</p> <p>Community, non-faith</p>	<p><u>Overall</u></p> <p>316 places</p> <p>16 surplus places across the school (5.1% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	<p>70%</p> <p>Below national (76%) and above authority (69%) averages.</p>	<p>Outstanding</p> <p>Date of most recent OfSTED inspection January 2011</p>	<p>MINIMAL:</p> <p>Although Wilson Primary has 5.1% of surplus places available across the school, it has been rated by OfSTED as outstanding, its KS2 results are above the authority average (although below the national average) and the school is oversubscribed for September 2014. In view of this, The Heights Primary is unlikely to affect the long term financial viability of Wilson Primary even though there is no projected basic need in the planning area between 2014/15 and 2017/18.</p>

Thameside Primary	1.1	<p>Primary (Mixed 5-11)</p> <p>Voluntary Aided, RC</p>	<p><u>Overall</u></p> <p>370 places</p> <p>47 surplus places across the school (12.7% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 60</p> <p>Officials understand from Reading Borough Council that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.</p>	<p>54%</p> <p>Well below national (76%) and authority (69%) averages.</p>	<p>Requires Improvement</p> <p>Date of most recent OfSTED inspection November 2013</p>	<p style="text-align: center;">MODERATE:</p> <p>Although Thameside is oversubscribed for September 2014, the school has 12.7% space places available across the school, its results are well below the national and authority averages and had an requires improvement OfSTED rating following its last inspection in November 2013. In view of this, and given that there is no projected basic need in the planning area between 2014/15 and 2017/18 The Heights Primary may affect the short-term financial viability of Thameside even though it will be located over a mile away from the proposed permanent site for The Heights.</p>
Oxford Road Community	1.1	<p>Primary (Mixed 3-11)</p> <p>Community School, non-faith</p>	<p><u>Overall</u></p> <p>240 places</p> <p>3 surplus places across the school (1.3% of total school capacity)</p> <p><u>At entry point</u></p> <p>2014/15: 30</p> <p>Officials understand from Reading Borough Council</p>	<p>43%</p> <p>Well below national (76%) and authority (69%) averages.</p>	<p>Good</p> <p>Date of most recent OfSTED inspection March 2010</p>	<p style="text-align: center;">MINIMAL:</p> <p>Although Oxford Road's KS2 results are well below the national and authority averages, it is oversubscribed for September 2014, has very few surplus places across the school and has a good OfSTED rating. In view of this, and the fact that the proposed permanent site for The Heights Primary will be beyond a 1 mile radius of Oxford Road, we believe that the free school is unlikely to affect the long term financial viability of Oxford Road even though there is no projected basic need in the planning area between 2014/15 and 2017/18.</p>

			that the school is oversubscribed for September 2014. The Council expect all entry level places to be filled.
