The PACA Sixth form Centre is on the same site as the Free School until Easter 2014 when the sixth form locates to the main site which has had £12.7 million invested in it. PACA has issued a joint statement with King's saying "both schools look forward to working together and to develop two more good schools with excellent facilities for students in the City." Y7 in PACA for September 2013 is apparently short of at least 3 forms of entry. LA predictions however show both schools will be full by 2019. <b>The Free School is likely to affect the short to mid term financial viability of the school</b>
