

Annex B: Impact Assessment (Standard)

Impact Assessment for Nanaksar Primary School (Schools within a 1.5 mile radius)

School name	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Guru Nanak Sikh Primary School	5-11 mixed	420 (surplus places 12.4% but only 2 surplus places at reception point of entry)	Well above national average in 2011. (no published results in 2012)	Outstanding	Minimal – now part of high performing Guru Nanak Sikh Academy. Primary phase had 260 applications for 60 places for 2013 reception classes
Minet Junior School	7-11 mixed	480 (surplus places 5.6% but only 8 at main point of entry)	Below national average – only 70% pupils achieving L4+ in English and maths)	Satisfactory	Minimal – will not be affected by the Free School in the short term as this is only growing by one year group each year starting with reception classes. In view of the increasing basic need for places the Free School is unlikely to affect the long term viability of the school
Minet Nursery and Infant School	3-7 mixed	360 (surplus places 0.3% but at capacity in reception)	N/A	Satisfactory	Moderate – may lose pupils in short term as Ofsted only satisfactory. Long term viability unlikely to be affected in view of increasing demand for places in the local area
Blair Peach Primary School	3-11 mixed	420 (surplus places 1.9% but at capacity in reception)	Above national average – 82% L4+ in English and maths	Outstanding	Minimal – Outstanding Ofsted and increasing demand for places in area
