| St Ethelbert's RC Primary School | 3-11, co-ed, Roman Catholic Voluntary Aided School | 210 school places<br><br>Surplus of school places of -2% of total school capacity<br><br>Oversubscribed for entry in 2011/12  | 81% of pupils achieved the expected level at KS2 which is above the national average but below the LA average | Good         | <b>Minimal:</b> A small number of surplus places and oversubscribed for entry in 2011/12. The school has been rated Good by Ofsted and attainment levels are above the national average. The school is also faith designated<br><b>The Free School is unlikely to affect the long term financial viability of the school</b>                                                                                                                                                                  |
| Haslam Park Primary School       | 4-11, co-ed, non-faith Community School            | 315 school places<br><br>Surplus of school places of 14% of total school capacity<br><br>Undersubscribed for entry in 2011/12 | 87% of pupils achieved the expected level at KS2 which is above both the LA and national average              | Satisfactory | <b>High:</b> On paper, this is high impact. The school has a large surplus of places and is undersubscribed for entry in 2011/12. KS2 results are above LA and national average (though the Ofsted rating is Satisfactory). However, despite these factors, we feel that the non-faith status of this school mitigates strongly against the impact that Olive Tree would have on this school.<br><b>The Free School is unlikely to affect the long term financial viability of the school</b> |
| Pikes Lane Primary School        | 3-11, co-ed, non-faith Community School            | 420 school places<br><br>Surplus of school places of 7% of total school capacity                                              | 81% of pupils achieved the expected level at KS2 which is above the national average but below                | Good         | <b>Moderate:</b> Currently surplus places but oversubscribed for entry in 2011/12 KS2 results below LA but above national average with an Ofsted rating of Good. There has been considerable disruption to staffing since the school's                                                                                                                                                                                                                                                        |
