Description of discharge

The making of a discharge of trade effluent from North Eastern Catchment, Heathrow Airport, Hounslow, Middlesex to the River Crane.

SECOND SCHEDULE

Conditions

1. The discharge shall be made at National Grid Reference TQ 1012 7619 at the point indicated on the submitted plan.
2. The discharge shall be made by means of double pipe outlet.
3. The discharge shall consist only of trade effluent comprising airport drainage.
4. Facilities to enable the Authority's officers to take samples of the discharge shall be provided and maintained at the outlet.
5. The discharge shall not contain any matter which will cause or be likely to cause the water in the River Crane to be poisonous or injurious to fish or the spawning grounds, spawn or food of fish.
6. The discharge shall not contain more than 20 mg/l of oil or grease and in any event shall not cause any visible trace of oil or grease to appear on the surface of the River Crane.
7. No chemicals for the purpose of preventing the formation of or aiding the removal of ice or snow shall be applied to the runways, taxiways or other hard standings at Heathrow Airport or any aircraft thereon except in accordance with the codes of practice for the time being in force and which are deposited with and approved for that purpose by the Authority.

NOTES

1. This Consent does not exempt the applicant from obtaining any consent required by, or from complying with, any other statutory provisions, statutory instruments or byelaws.
 2. There must be no departure from the approved application and plan without the prior written permission of the Authority.
 3. Any question as to the reasonableness of the conditions of this Consent shall be determined by the Secretary of State for the Environment. Any reference to the Secretary of State must be made within 3 months from the date on which the applicant was notified by the Authority of their decision, or within such longer period as the Secretary of State may at any time allow.
 4. This Consent shall continue in force (subject to any variation) until revoked, and shall be binding on any person discharging effluent in accordance with the Consent.
 5. The Authority may at any time, by notice in writing to the person making the discharge in pursuance of this Consent, revoke the Consent if it is reasonable to do so or make reasonable modifications to its conditions.
 6. Section 38(3) provides that if the Authority serves such a notice on the discharger within the period specified above and without the latter's written agreement, then circumstances may arise in which the Authority will become liable to pay compensation (Section 38(4)).
