Harris Invictus Academy Croydon Impact Assessment (standard) Secondary Schools and Colleges

	School Name	Distance from Free School in miles	School Type	Capacity	Attainment in 2011/12 (5*A-C)	Ofsted Grade	Impact Rating
1.	St Mary's Catholic High School	0.2	11-19 age range Voluntary Aided Roman Catholic Mixed	<u>Overall</u> 854 School places Overall surplus of 130 school places (15.2% of total school capacity) <u>At Entry point</u> 180 places 50 entry level places unfilled in 12/13	Well below average 49% of pupils achieved 5A* - C inc English and Maths	Requires Improvement Date of most recent Ofsted inspection: 08/02/2013	High: The impact of Harris Invictus Academy Croydon (HIAC) on this school is likely to be high because the school is located close to HIAC and has a surplus of places. Also the attainment levels are well below average. The setting up of HIAC is likely to increase the surplus of places at St Mary's and therefore affect the financial viability of the school.
2.	St Andrew's CofE Voluntary Aided High School	0.7	11-19 age range Voluntary Aided School Church of England Mixed	<u>Overall</u> 840 school places Overall surplus of 132 school places (15.7% of total school capacity)	Above average 65% of pupils achieved 5A*-C inc English and maths	Good Date of most recent Ofsted inspection: 09/06/2011	Moderate: The impact of HIAC on this school is likely to be moderate as it is likely that the surplus of places at the school may increase. However we don't expect a significant amount of pupils to move as attainment at the school is above average. We consider that there is a moderate chance that the financial viability of the school will be affected.
3.	BRIT School for the Performing Arts and Technology	0.9	14-19 age range City Technology College Not a Faith	<u>Overall</u> No capacity data <u>At entry point</u>	Above average 68% of pupils achieved 5A* - C inc	Outstanding Date of most recent Ofsted reference: 28/02/2008	Moderate: We consider the impact of HIAC on this school to be moderate. It has a very specific specialism focussing on the arts and technology so pupils who attend this school would be unlikely to move to HIAC. Also it

			School Mixed	No data for capacity at main entry point	English & maths		has an above average attainment rating. We consider that there is a moderate chance that the financial viability of the school will be affected.
4.	The Archbishop Lanfranc School	1.4	11-16 age range Foundation School Not a faith School Mixed	<u>Overall</u> 1039 school places <u>At entry point</u> <u>200 places</u> 35 entry level places unfilled in 2012/13	Well below average 38% of pupils achieved 5A*-C inc English & Maths	Inadequate Date of most recent Ofsted reference: 12/09/2013	Moderate: HIAC is likely to have a moderate impact on The Archbishop Lanfranc School as it has well below average attainment levels. Also it has surplus places although the figure is not considerable given the school size. We consider that there is a moderate chance that the financial viability of the school will be affected.
5.	Oasis Academy Shirley Park	1.8	3-19 age range Academy Sponsor Led Christian Mixed	<u>Overall</u> 1740 school places Overall surplus of 261 school places (15.0% of total school capacity) <u>At entry point</u> 180 places 7 entry level places unfilled in 2012/13	Above average 63% of pupils achieved 5A*-c inc English and Maths	Satisfactory Date of most recent Ofsted reference: 23/02/2012	Moderate: The impact of HIAC is likely to be moderate on Oasis Academy. The academy has surplus places which may worsen as a result of the opening of HIAC. However the percentage of pupils achieving above average results at Oasis Academy Shirley Park should lessen the negative impact on the financial viability of the academy.

6.	Norbury Manor Business and Enterprise College for Girls	2.2	11-19 age range Academy converter Not a faith school Girls	<u>Overall</u> 1433 school places Overall surplus of 262 school places (18.3% of total school capacity) <u>At entry point</u> 196 places 2 entry level places unfilled in 2012/13	Above average 66% of pupils achieved 5A* inc English & Maths	Good Date of most recent Ofsted reference 07/06/2013	Moderate: The impact of HIAC is likely to be moderate on this Business Enterprise College as it is operating with considerable surplus places. However it does have above average attainment levels and also the distance from HIAC may deter parents from relocating their children. We consider that there is a moderate chance that the financial viability of the school will be affected.
7.	Harris Academy Upper Norwood	2.4	11-19 age range Academy sponsor Led Not a faith school Girls	<u>Overall</u> 900 school places Overall surplus of 198 school places (22.0% of total school capacity) <u>At entry point</u> 180 places 94 entry level places unfilled in 2012/13	Well below average 41% of pupils achieved 5A*-C inc English & Maths	No Ofsted grade Date of most recent Ofsted reference: No Ofsted grade	Moderate: The impact of HIAC is likely to be moderate on this Harris Academy school.
