

Freedom of Information request 3815/2014

Received 2 September 2014

Published

Information request

Number of Access to Work awards made (both new and existing/ongoing) in the 2013-14 tax year, listed by postcode area, and also further broken down (within postcode areas) and listed by Primary Medical Condition and by Element Type (as per the Access to Work Official Statistics April 2014 release).

DWP response

In response to your questions, in the attached Excel file is the number of individuals helped by Access to Work in 2013/14, split by primary medical condition (as per table 4 in Annex A of the Access to Work Official Statistics release) and element type (as per table 5 in Annex A of the Access to Work Official Statistics release).
