

Annex D – Red Tape Challenge Measures still to be introduced this Parliament

This Statement of New Regulation provides a full account of new regulation introduced this Parliament. The account of Red Tape Challenge measures, over this Parliament has been split into two annexes, because of the large number of measures. This annex therefore lists all Red Tape Challenge measures that will be introduced from January 2015 to the end of June 2015. Annex E lists all the Red Tape Challenge Measures that have already been implemented.

These are organised by Department and by theme.

The tables include the title of the measure, the effect of the measure, the classification under One-in, Two-out, the date in which the measures are due to come into force, and the categorisation under Red Tape Challenge - Improve or scrap.

Healthy Living & Social Care	DH	Care Quality Commission (Registration) Regulations 2009, SI 2009/3112	Providers must register with CQC and make a legal declaration that they will be able to meet all the standards once their service opens. CQC are working to make sure this registration process is flexible and does not stifle innovation or discourage good providers of care services. CQC's plans for reducing burden on providers include an Online Services initiative, which will reduce errors and rejections and produce efficiencies in application processing. To date CQC has launched Online Services for the registration of GPs and will apply these innovations to all sectors in 2014.	06/04/2015	Dereg		Improve
