Morning,

In response to your query below concerning the A14 Cambridge to Huntingdon please see the list of supplier currently working on the scheme:

Jacobs – 'Consultancy Support/ Traffic Modelling'- Subconsultants - Aecom & Arup  
Pinsent Masons - Legal Support  
Chris Blandford Associates – Legacy Support  
Mace –Project Management Support  
Corderoy –Commercial Support  
Mott MacDonald/Grontmij –CDM and Road Safety Support

For future reference our 'Contracts Finder' website lists all Government awards  
<https://online.contractsfinder.businesslink.gov.uk/?site=1000&lang=en>

If you search the A14 in the 'Find Opportunities' section it should bring up the vast majority of our awards.

It is also worth looking at the HA website on the following link:  
<http://www.highways.gov.uk/about-us/procurement/current-and-forthcoming-contracts/>

I hope this is helpful.

Regards,

Highways Agency | Woodlands | Manton Lane | Bedford | MK41 7LW  
**Tel:**  
**Web:** <http://www.highways.gov.uk>  
**GTN:** 3013 6301

Safe roads, reliable journeys, informed travellers  
Highways Agency, an executive agency of the Department for Transport.

**Site Name:** A14 Cambridge to Huntingdon  
**Address:**

Please can I receive an up to date list of all the subcontractors, suppliers and consultants involved in Scheme comprises the improvements the A14 trunk road between Cambridge and Huntingdon. Proposals include:- A new dual carriageway southern bypass around Huntingdon extending from the A14 at Ellington to a new junction at Swavesey and extends to the Milton junction on the Cambridge Northern Bypass. Tolls would only apply on this new section of road. Widening the A1 between

Alconbury to a new junction south west of Brampton. Widening the existing A14 between the proposed junction at Swavesey to Girton. Improving the Girton junction. Widening the Cambridge Northern Bypass between Histon and Milton.  existing A14 through Huntingdon and demolishing the road viaduct.

Thanks,
