## Electoral Commission and ERTF Winter Research 2013/14: BME Booster Survey (Boost + BME mainstage interviews)

Absolutes/col percents

Table 8

Q2f. To what extent would the following increase your confidence in the way that elections are run in Great Britain/Northern Ireland?

Would you say it would increase your confidence a lot, a little, hardly at all or not at all?

- Stopping political parties, candidates, canvassers and campaigners from handling postal votes

Base: All BME respondents who are not 'very confident' that elections are well run in Great Britain/Northern Ireland

	Statements					
	There could be enough electoral fraud in some areas to affect the election result	I would know how to report electoral fraud	It would be easy to get away with electoral fraud in Great Britain/ Northern Ireland	Electoral fraud is very common where I live	I felt I had little or no choice about who to vote for because of pressure from people I know	There are sufficient safeguards in place to prevent electoral fraud
