

Environment Agency permitting decisions

Part surrender

We have decided to accept the surrender of part of the permit for Corby Tubeworks operated by Tata Steel UK Limited.

The permit number is EPR/BS8788IE.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document:

- explains how the operator's application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account

Structure of this document

- Annex 1 the decision checklist

Annex 1: decision checklist

This document should be read in conjunction with the Duly Making checklist, the application, Site Condition Report Template, supporting information and partial surrender notice.

Aspect considered	Justification / Detail	Criteria met
		Yes
The site		
Extent of the surrender application	The operator has provided plans showing the extent of the site of the facility that is to be surrendered. We consider these plans to be satisfactory.	✓
Pollution risk	We are satisfied that the necessary measures have been taken to avoid a pollution risk and that the area of the site that is to be surrendered has not been put into operation during the period it has been included within the installation permit boundary.	✓
Satisfactory state	<p>We are satisfied that the area of the site that is to be surrendered has not been put into operation, that the surrender is a low risk surrender and the surrendered area is in a satisfactory state.</p> <p>In coming to this decision we have had regard to the Environment Agency Guidance RGN9 on surrender applications as well as confirmation from the Area Officer that this is the case.</p>	✓
