

Canary Wharf College 2: Impact Assessment

School name	School type	Capacity	KS2 2013 (% achieving level 4 or above in Reading, Writing, Mathematics) Tower Ham Av = 77% England Av = 75%	Ofsted grade	Impact rating
St Luke's Church of England Primary School	3-11 age range Voluntary Aided Church of England Mixed	240 places available. Overall surplus of 2 school places (0.8% of total school). 30 places at entry point with no places unfilled.	Well above national and LA averages with 90% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment.	Good at 22/06/12	High The free school site will be located in very close proximity to St Luke's school and both schools have similar faith characteristics. Both schools will also attract pupils from the same catchment area. The free school may therefore have some effect on St Lukes, however this is unlikely to affect their long term viability See further note below.
Canary Wharf College Primary School (Note this school was established by the same group that is proposing the new free school project considered in this report).	3-11 age range Free school Interdenominational Christian faith Mixed	280 places available. Free school opened in 2011 therefore won't build up to full capacity until 2017. 40 2 FE places at entry point with no places unfilled.	No KS2 data available (school only opened in 2011).	Outstanding at 04/07/13	Minimal This is the new free school's sister school which opened in 2011. The new free school is unlikely to affect the long term viability. The rationale for opening a second Canary Warf College free school is to alleviate the very high demand for places at the current school.
Cubitt Town Infants School	3-7 age range Community School Non-faith Mixed	300 places available. Overall surplus of 15 school places (5% of total school). 90 places at entry point with 2 places unfilled.	No KS2 data available.	Good at 05/07/11	Moderate Although there are 15 school places unfilled and 2 at entry level it is unlikely that the long term viability of the school will be affected given the increasing basic need in Tower Hamlets for further primary places.
Cubitt Town Junior School	7-11 age range	360 places available. Overall surplus of 15 school	Attainment is slightly below the national and LA	Good at	Moderate There is a surplus of 15 places overall

	Community School Non-faith Mixed	places (4.2% of total school). 90 places at entry point with 2 places unfilled.	averages with 73% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment.	21/06/11	although only 2 at entry level. Attainment is slightly below the Nat and LA, average, therefore there is a slight risk that the free school may have an impact of filling future places. However given the increasing basic needs in Tower Hamlets for primary places the long term viability of the school is unlikely to be affected.
Meridian Primary School	3-11 age range Community School Non-faith Mixed	210 places available. Overall surplus of 7 school places (3.3% of total school). 30 places at entry point with no places unfilled.	Well above national and LA averages with 86% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment.	Good at 25/05/11	Minimal There is a surplus of 7 places overall and non at entry level. Attainment is well above the national average and level with LA average therefore given the good performance and the increasing basic needs in Tower Hamlets for primary places the long term viability of the school is unlikely to be affected.
St Joseph's Catholic Primary School	5-11 age range Voluntary Aided Roman Catholic Mixed	210 places available. Overall surplus of 27 school places (12.9% of total school). 30 places at entry point with 2 places unfilled.	Above national average and level with LA average with 77% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment.	Good at 16/11/12	Minimal There is a surplus of 27 places overall although only 2 at entry level. Attainment is above the national average and level with LA average therefore given the good performance and the increasing basic needs in Tower Hamlets for primary places the long term viability of the school is unlikely to be affected.
Christ Church, Church of England Primary School	4-11 age range Voluntary Aided Church of England Mixed	199 places available. Overall surplus of 37 school places (18.6% of total school). 30 places at entry point with 4 places unfilled.	Well below national and LA averages with 46% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment.	Good at 14/03/13	Moderate Although there are 37 overall school places unfilled with 4 at entry level and attainment below the LA and Nat average, Christ Church school is located at the other side of the river Thames in Whitechapel and will appeal to a different catchment area. Therefore it is unlikely to affect the long term viability of the school given travelling distance.
