## **Statistical Notice**

Intention to publish further breakdowns of re-offences by type of re-offence for adult offenders released from custodial sentences of less than 12 months

23 October 2014

## **Background**

Statistics on proven re-offending of offenders in England and Wales are published in the Proven Re-offending Statistics Quarterly Bulletin. This can be found at: [www.gov.uk/government/collections/proven-reoffending-statistics](http://www.gov.uk/government/collections/proven-reoffending-statistics).

## **What is being published, and why?**

The statistics being published will present a further breakdown of already published information in order to provide more detail on the proven re-offending of offenders released from short custodial sentences (less than 12 months) in the 12 months ending September 2012, broken down by type of re-offence and region.

This publication will be published on 24<sup>th</sup> October 2014.
