Dear James

**REVISED ALLOCATION LETTER FOR 2013/14 – 2015/16**

I am writing to inform you of a change to VisitEngland's allocations for the financial years 2013/14 - 2015/16. This letter replaces any previous notifications.

Following the Autumn Statement announcement on 5 December a budget reduction of around 1% has been applied to your allocation baselines for 2014/15 and 2015/16 as per previous communications. Ministers are clear that spending on frontline services should continue to be prioritised, and that you should actively identify and implement the most cost-effective ways of delivering public services. We have corresponded previously on the need to set and maintain contingency plans to help you cope with budgetary reductions within and between Spending Review periods.

Any changes that have previously been agreed to budgets since your last allocation letter have also been reflected in your revised allocation figures below.

The amended control totals against which net expenditure will be monitored and the grant in aid that the Department will pay are as set out in the table below. The control totals are shown in the shaded columns and incorporate any other changes that have previously been agreed with you.

2015-16	0.000	0.000	0.000	0.000	7.004

The figures above do not include GREAT funding as the profile has yet to be decided. We will write to you in respect of the additional GREAT funding once this has been agreed.

Guidance on the budgeting rules within which you are expected to operate has previously been circulated and can be found in the Treasury's Consolidated Budgeting Guidance.

If you have any questions about the content of this letter, or would like to discuss your contingency plans, then please get in touch with your usual relationship manager in the finance team.

Yours sincerely,
