Dear 

Your email dated 5th August 2014 is considered to be a request for information under the Freedom of Information Act (FOIA) 2000. You requested the following information:

Please can you provide me with a list of contracts that you have with Elbit, the Israeli defence company.

I can confirm that the Ministry of Defence (MOD) holds information relevant to your request. The MOD does not have any current contracts with Elbit Systems Ltd itself but does have a total of eight contracts with its UK-based subsidiary companies Ferranti Technologies Ltd and Elite Automotive Systems Ltd. Details for these contracts are attached.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely,
