Subject: RE: Employment and support allowance deduction

Dear all,

As you know there have been some queries surrounding whether ESA should be deducted from injury benefit. In order to promote consistency and assess the interpretation taken by forces, I would greatly appreciate it if you could let me know whether:

- 1- Your force has been deducting ESA
- 2- If the answer is yes, how long have you been deducting ESA?
- 3- If the answer is yes, how many people have had ESA deducted?
- 4- Have you sought previous legal advice prior to deciding whether to deduct?

I hope this is not too difficult but any information you can provide within the next week or so would be extremely helpful.

If you have any queries, please do not hesitate to contact me.

Many thanks in advance,

Kind Regards
