

Table 2 - Persons arrested on enforcement visits following an allegation (Cumbria) by nationality  
January 2010 to December 2013

| Nationality | Cumbria parliamentary constituency |          |          |                        |                          |            | Total | Subsequent removals |
|-------------|------------------------------------|----------|----------|------------------------|--------------------------|------------|-------|---------------------|
|             | Barrow and Furness                 | Carlisle | Copeland | Penrith and The Border | Westmorland and Lonsdale | Workington |       |                     |
| Bangladesh  | 10                                 | 5        | 5        | -                      | *                        | 5          | 20    | *                   |
| British     | -                                  | -        | -        | -                      | -                        | *          | *     | -                   |
| Canada      | -                                  | -        | *        | -                      | -                        | -          | *     | *                   |
| Nepal       | -                                  | 5        | -        | -                      | -                        | -          | 5     | 5                   |
| Pakistan    | -                                  | *        | -        | -                      | -                        | -          | *     | -                   |
| Swaziland   | -                                  | -        | -        | -                      | *                        | -          | *     | *                   |
| Thailand    | -                                  | *        | -        | -                      | -                        | -          | *     | *                   |
| Total       | 10                                 | 10       | 5        | -                      | 5                        | 5          | 30    | 10                  |

(1) The figures quoted have been derived from management information and are therefore provisional and subject to change.

This information has not been quality assured under National Statistics protocols.

(2) Figures relate to persons arrested on enforcement visits in Cumbria (where intel source type = allegation) between 1 January 2010 and 31 December 2013 recorded on the National Operations Database (nodMMX).

(3) Figures do not relate to individuals as an individual may have been arrested more than once.

(4) Subsequent removals (which are up to 31 December 2013) include enforced, voluntary and assisted voluntary return removal types and were identified by matching with data from Case Information Database (CID).

(5) Figures rounded to nearest 5 (- = 0, \* = 1 or 2) and may not sum to totals shown because of independent rounding.

(6) Data extracted on 26 February 2014.
