

Environment Agency permitting decisions

Part surrender

We have decided to accept the surrender of part of the permit for Impalloy Limited operated by Impalloy Limited.

The permit number is EPR/JP3538LX.

The part surrender number is EPR/JP3538LX/S004.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document:

- explains how the operator's application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account

Structure of this document

- Annex 1 the decision checklist

Annex 1: decision checklist

This document should be read in conjunction with the Duly Making checklist, the application and supporting information and permit/ notice.

Aspect considered	Justification / Detail	Criteria met
		Yes
The facility		
The regulated facility	<p>The permitted regulated facilities have changed as a result of the partial surrender.</p> <p>The installation boundary line has been amended through this part surrender application. The existing installation boundary in the permit includes an area of land that has never been used to carry out any site operations or directly associated activities and falls outside of the operator leased land boundary. The piece of land has acted only as an access to parts of the site. This section of land will be removed from the permit. The operator has confirmed that there is no record of any incidents or spillages on the site that could have led to contamination.</p>	✓
The permit conditions		
Changes to permit conditions	The permitted installation boundary has changed as a result of the partial surrender. No other permit conditions have changed.	✓
The site		
Extent of the surrender application	<p>The operator has provided a plan showing the extent of the site of the facility that is to be surrendered.</p> <p>We consider this plan to be satisfactory.</p>	✓
Pollution risk	<p>We are satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility.</p> <p>There have been no known pollution incidents on the surrendered piece of land. The permitted activities have never taken place on the land that has been surrendered.</p>	✓
Satisfactory state	<p>We are satisfied that the necessary measures have been taken to return the site of the regulated facility to a satisfactory state.</p> <p>In coming to this decision we have had regard to the state of the site before the facility was put into operation.</p>	✓
