Dear Andy

REVISED ALLOCATION LETTER FOR 2013/14 – 2015/16

I am writing to inform you of a change to UK Anti-Doping's allocations for the financial years 2013/14 - 2015/16. This letter replaces any previous notifications.

Following the Autumn Statement announcement on 5 December a budget reduction of around 1% has been applied to your allocation baselines for 2014/15 and 2015/16 as per previous communications. Ministers are clear that spending on frontline services should continue to be prioritised, and that you should actively identify and implement the most cost-effective ways of delivering public services. We have corresponded previously on the need to set and maintain contingency plans to help you cope with budgetary reductions within and between Spending Review periods.

Any changes that have previously been agreed to budgets since your last allocation letter have also been reflected in your revised allocation figures below.

The amended control totals against which net expenditure will be monitored and the grant in aid that the Department will pay are as set out in the table below. The control totals are shown in the shaded columns and incorporate any other changes that have previously been agreed with you.
