

1. The data shows appeals received and appeals allowed as we do not identify those that have the right of appeal.

The data also shows results for applications made in South Korea and where they were processed. After 2009 all applications that were made in South Korea were decided at the decision making centre in Manila.

The average processing times include details only for applications where the length of stay was granted for more than 365 days and does not include Visit or Transit endorsements.
