**NOTIFICATION OF DETERMINATION TO PROCEED WITH
WORKS (Regulation 12(3) (a) of the Environmental Impact
Assessment (Land Drainage Improvement Works) Regulations
1999 as amended by
SI 2005/1399 and SI 2006/618)**

Cononley Beck gravel clearance

The Environment Agency gives notice that it has determined, in accordance with the Regulation specified above, that the proposed improvement works to the flood defences on Cononley Beck on two sections in Cononley between Beck Side Close (NGR SD 99266 46834) and the railway bridge, and downstream of the railway bridge to the entrance to the works on Cononley Lane (NGR SD9939746832), should proceed.

A statement of the determination, conditions to which it is subject, the main reasons and considerations upon which the determination was based, and a description of the main measures to avoid, reduce and, if possible, offset the major adverse effects of the improvement works, may be inspected at Environment Agency, Lateral House, 8 City Walk Leeds, LS11 9AT, telephone: 0113 819 6043 between the hours of 08:30 and 16:30 or may be obtained from Kate Masser at the address below.
