

## Annex B: Impact Assessment (Standard)

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
<b>Secondary Schools</b>						
Walthamstow Academy	0.9	11-18 age range Academy Sponsor Led Christian Mixed	Overall: 1150 school places Overall surplus of 161 school places (14.0% of total school capacity)	Well below average  The average points score at level 3 in 2013 is 657.1	Good  Date of most recent Ofsted inspection: 15/01/2009	<b>HIGH:</b> The Walthamstow Academy has a small 6th form of just over 100 students and there will be little duplication in the courses offered by the two providers. The courses offered by Dv8 Academy are focussed on creative and media and these subjects are offered at the Walthamstow Academy. Whilst the financial viability of the Academy overall may not be affected, it could affect the viability of 6th form provision at the Academy.
Kelmscott School	1.2	11-18 age range Community School Not a faith school Mixed	Overall: 900 school places Overall surplus of 9 school places (1.0% of total school capacity)	No attainment data available  No KS5 data	Requires Improvement  Date of most recent Ofsted inspection: 05/12/2013	<b>MODERATE:</b> The school has a small 6th form of less than 50 students and the school has a specialism in Humanities, Business and Enterprise as such the impact will be moderate. Whilst the financial viability of the Academy overall will not be affected, it could affect the viability of 6th form provision at the Academy.
Holy Family Catholic School	1.4	11-18 age range Voluntary Aided School Roman Catholic Mixed	Overall: 1105 school places.  No surplus places	Well below average.  The average points score at level 3 in 2013 is 603.2	Good  Date of most recent Ofsted inspection: 09/06/2011	<b>MODERATE:</b> The Holy Family Catholic School has a small 6th form of just over 120 students that have a more academic focus than the provision proposed by the Dv8 Academy. As such the financial viability of the school is unlikely to be affected.

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Rushcroft Foundation School	1.5	11-18 age range Academy Sponsor Led Not a faith school Mixed	Overall: 800 school places.  Overall surplus of 76 school places (9.5% of total school capacity)	No attainment data available  No KS5 data	No Ofsted grade  Date of most recent Ofsted inspection: Not yet inspected	<b>MODERATE:</b> The post 16 provision in the school is a sport focused football academy and has a distinctively different offer from the proposed Dv8 Academy offer. As such the financial viability of the school is unlikely to be affected.
Lammas School and Sports College	1.9	11-18 age range Community School Not a faith school Mixed	Overall: 740 school places.  Overall surplus of 2 school places (0.3% of total school capacity)	No attainment data available  No KS5 data	Good  Date of most recent Ofsted inspection: 01/05/2013	<b>MODERATE:</b> The post 16 provision in the college is sport focused and has a distinctively different offer from the proposed Dv8 Academy offer. As such the financial viability of the school is unlikely to be affected
Our Lady's Convent Roman Catholic High School	1.9	11-18 age range Voluntary Aided School Roman Catholic Girls	Overall: 756 school places  Overall surplus of 8 school places (1.1% of total school capacity)	Below Average  The average points score at level 3 in 2013 is 750.2	Good  Date of most recent Ofsted inspection: 24/01/2012	<b>MODERATE:</b> The 6th form at this school is small at 150 students and the offer is more traditional than the proposed offer from Dv8 Academy. As such the financial viability of the school is unlikely to be affected.
George Mitchell School	2.0	3-18 age range Community School Not a faith school Mixed	Overall: 869 school places  Overall no surplus places	No attainment data available  No KS5 data	Requires Improvement  Date of most recent Ofsted inspection: 04/10/2013	<b>MODERATE:</b> The 6th form at this school is small and the financial viability of the school overall is unlikely to be affected.

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Lubavitch House School (Senior Girls)	2.0	11-18 age range Voluntary Aided School Jewish Girls	Overall: 150 school places  Overall surplus of 47 school places (31.3% of total school capacity)	No attainment data available  No KS5 data	Require Improvement  Date of most recent Ofsted inspection: 19/06/2013	<b>MODERATE:</b> The 6th form at this school is small and the financial viability of the school overall is unlikely to be affected.
Highams Park School	2.2	11-18 age range Academy Converter Not a faith school Mixed	Overall: 1560 school places  No surplus places	Below Average  The average points score at level 3 in 2013 is 763.2	Good  Date of most recent Ofsted inspection: 06/06/2013	<b>MODERATE:</b> The 6th form at this school is over 200 students in size and some courses on offer are similar to the proposed Dv8 Academy offer. Whilst the financial viability of the Academy overall will not be affected, it could affect the viability of 6th form provision at the Academy.
Leytonstone Business and Enterprise Specialist School	2.3	11-18 age range Community School Not a faith school Mixed	Overall: 900 school places  Overall surplus of 24 school places (2.7% of total school capacity)	No attainment data available  No KS5 data	Good  Date of most recent Ofsted inspection: 13/01/2011	<b>MODERATE:</b> The 6th form at this school is small and whilst the financial viability of the Academy overall will not be affected, it could affect the viability of 6th form provision at the Academy.
Norlington School for Boys	2.3	11-18 age range Community School Not a faith school Boys	Overall: 509 school places  Overall surplus of 41 school places (8.1% of total school capacity)	No attainment data available  No KS5 data	Good  Date of most recent Ofsted inspection: 13/09/2013	<b>MODERATE:</b> The 6th form at this school is small and whilst the financial viability of the Academy overall will not be affected, it could affect the viability of 6th form provision at the Academy.

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Aylward Academy	2.6	11-19 age range Academy Sponsor Led Not a faith school Mixed	Overall: 1485 school places  Overall surplus of 29 school places (2.0% of total school capacity)	Well below average  The average points score at level 3 in 2013 is 573.2	Good  Date of most recent Ofsted inspection: 07/11/2012	<b>MODERATE:</b> The 6th form at this school is over 150 students in size and some courses on offer are similar to the proposed Dv8 Academy offer. However the financial viability of the school is unlikely to be affected.
Connaught School for Girls	2.6	11-18 age range Academy Converter Not a faith school Girls	Overall: 600 school places  Overall surplus of 2 school places (0.3% of total school capacity)	No attainment data available  No KS5 data	Good  Date of most recent Ofsted inspection: 25/05/2011	<b>MINIMAL:</b> The all-girls school has a small 6 <sup>th</sup> form and the Dv8 Academy will offer a different range of subjects to the school. As such the financial viability of the school is unlikely to be affected.
Clapton Girls' Academy	2.6	11-19 age range Academy Converter Not a faith school Girls	Overall: 1200 school places  Overall surplus of 135 school places (11.3% of total school capacity)	Average or close to average  The average points score at level 3 in 2013 is 766.9	Outstanding  Date of most recent Ofsted inspection: 22/05/2013	<b>MODERATE:</b> The 6th form at this all-girls school is over 100 students in size and some courses on offer are similar to the proposed Dv8 Academy offer. However the financial viability of the school is unlikely to be affected.
Skinner's Academy	2.6	11-19 age range Academy Sponsor Led Not a faith school Mixed	Overall: 1500 school places  Overall surplus of 493 school places (42.9% of total school capacity)	Well below average  The average points score at level 3 in 2013 is 626.9	Good  Date of most recent Ofsted inspection: 20/06/2013	<b>MODERATE:</b> The 6th form at this school is under 100 students in size and some courses on offer are similar to the proposed Dv8 Academy offer. However the financial viability of the school is unlikely to be affected.

<b>16-19 Colleges</b>						
Sir George Monoux College	1.1	Sixth Form College (General)  Not a faith college	1931 learners  99.9% of learners are aged 16-18  This is a medium-sized college	Below average  The average points score per student at level 3 in 2013 is 690.6	Good  Date of most recent Ofsted inspection: 05/10/2012	<b>MODERATE:</b> Due to the poor attainment levels here the Dv8 Academy could have a moderate impact on the college. However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.
Waltham Forest College	1.3	General Further Education College  Not a faith college	5162 learners  25.6% of learners are aged 16-18  This is a large college	No KS5 data	Requires Improvement  Date of most recent Ofsted inspection: 17/05/2013	<b>MINIMAL:</b> This is a large FE college where just over a quarter of the learners are aged 16-18. . However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.
The College of Haringey, Enfield and North East London	1.5	General Further Education College  Not a faith college	8614 learners  24.8% of learners are aged 16-18  This is a large college	No KS5 data	Satisfactory  Date of most recent Ofsted inspection: 21/01/2011	<b>MINIMAL:</b> This is a large FE college where just under a quarter of the learners are aged 16-18. . However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Haringey Sixth Form Centre	1.8	Academy 16-19 Converter  Not a faith college	869 learners  94.8% of learners are aged 16-18  This is a small college	Well below average  The average points score per student at level 3 in 2013 is 612.8	No Ofsted grade	<b>HIGH:</b> This post 16 provider has a creative and media faculty (which is similar to the Dv8 Academy offer) and the new provision from a well-regarded and high profile provider could have a high impact on this provider. The financial viability of the Haringey Sixth Form Centre is likely to be affected.
Leyton Sixth Form College	1.9	Sixth Form College (General)  Not a faith college	1879 learners  99.9% of learners are aged 16-18  This is a medium-sized college	Well below average  The average points score per student at level 3 in 2013 is 676.1	Good  Date of most recent Ofsted inspection: 17/01/2013	<b>MODERATE:</b> Due to the poor attainment levels here the Dv8 Academy could have a moderate impact on the college. However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.
The Brooke House Sixth Form College	2.4	Sixth Form College (General)  Not a faith college	1353 learners  99.9% of learners are aged 16-18  This is a medium-sized college	Well below average  The average points score per student at level 3 in 2013 is 670.3	Good  Date of most recent Ofsted inspection: 22/03/2013	<b>MODERATE:</b> Due to the poor attainment levels here the Dv8 Academy could have a moderate impact on the college. However the college has a large number of students and provides academic A level courses that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
London Academy of Excellence	4.0	Free Schools - 16-19  Not a faith college	200 learners  99.9% of learners are aged 16-18  This is a small college	No KS5 data	No Ofsted grade	<b>MODERATE:</b> Due to the poor attainment levels here the Dv8 Academy could have a moderate impact on the college. However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.
City and Islington College	4.2	General Further Education College  Not a faith college	8412 learners  46.6% of learners are aged 16-18  This is a large college	Below average  The average points score per student at level 3 in 2013 is 691.2	Outstanding  Date of most recent Ofsted inspection: 01/05/2008	<b>MINIMAL:</b> This is a large FE college where less than half of the learners are aged 16-18. However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.
Hackney Community College	4.5	General Further Education College  Not a faith college	3129 learners  35.7% of learners are aged 16-18  This is a large college	Well below average  The average points score per student at level 3 in 2013 is 573.4	Good  Date of most recent Ofsted inspection: 21/05/2010	<b>MINIMAL:</b> This is a large FE college less than half of the learners are aged 16-18. However the college has a large number of students and provides academic and vocational course that the free school will not offer. The financial viability of the college could be affected if significant numbers are reduced and efficiencies are not made by the college to address this.

School name	Distance from free school	School type	Capacity	Attainment in 2011/12	Ofsted grade	Impact rating
Stem Academy	4.9	Free Schools - 16-19  Not a faith college	No data for total number of learners	No KS5 data	No Ofsted grade	<b>MODERATE:</b> It is not possible to precisely estimate the impact here but we estimate it will be moderate to minimal as the Dv8 Academy offer is very different and also nearly 5 miles away. As such the financial viability of the school is not likely to be affected.
