

**FOI Release**  
***Information released under the Freedom of Information Act***

**Title:** Patent restoration statistics

**Date of release:** 28 October 2013

**Information request:**

Statistics on the following:

1. The number of Patent restorations filed annually.
2. How many cases a year are subject to insurance claims?

**Information released:**

The annual figures for restorations filed are published in Facts & Figures, available on our website.

For example, for the latest published figure (2012), go to page 16 [now located within the National Archives].

With regard to your second question, the Intellectual Property Office does not hold any information as to how many cases are subject to insurance claims.
