## Unweighted Base

Weighted Base
Effective base
I am currently finding out
more information about this

Iam currently looking for/
getting quotes from
companies/installers
I have received quotes from compeniessinstalierstest and am
deciding what to do
In the process of applying
for Green Deal finance
I have chosen which company/ installe tho use and am
waiting for them to start waiting for
the work
I will be carrying out the
work myself in the near future
The work/installation is
Currently being done
Don't know

116 (R) (ALL) Why do you want to have (Measure) installed?
Base: All respondents

## Weighted Base

Effective base
Because I could pay for it using the Green Deal finance
Cie (i.e. pay back
energy bills)

It was free/paid for by someone else e.e.g. landlord
local authority energy local author
company)
(Measure) was recommended by
friend/relativ/word of mouth
Saw (Measure) demonstrated
somewhere (show home public somewhere (
building etc)
The work was required by $m y$
landlord/local authority/ landiorg assocaciation/ freeholdarlother organisation - I didn't have
achoice I had been waiting for approval from my lanala ocal cuthority/housing//ath organisation - but this was
received

## Green Deal Assessment Experience Wave 2

## Fieldwork: 17th April - 1st June 2014

$118(M)$ For which, if any, of these reasons have you experienced delays in starting work on the (Measure)?
19 Jun 2014

Base: All key measures that are in the process of being installed

## Unweighted Base

Weighted Base
Effective base
Had no significant delays
Had difficulties finding
someone to provide quotes/ someone to provid
carry out the work
Company carrying out the
work could not start straight away
Took a long time to get
quotes
Needed to save up to have
this done
Needed to arrange finance
(e.g. apply for a loan
mortgage extension)

Applied for or enquired Applied for or enquired
about Green Deal/FCD finance
or grant but delays with or grant but
application
Applied for or enquired about Green Deali/ECO finance
or grant but was turned down
