## Green Deal Assessment Experience Wave 2

## Fieldwork: 17th April - 1st June 2014

Page 2984
19 Jun 2014

## I30 (R) You said that you probably/definitely won't install (Measure). Why do you say that?

 Base: All respondents who probably/definitely won't install a recommended key measure
## Weighted Base

Effective base
Woried that having Green Deal repayments linked to $m$
propent
to sell
Had difficulties finding someone to provid
carry out the work
Hassle/disisuption of making

May change character/
appearance of my home
Structural considerations
(e.g. period features in home potential damage to
property unsuitable for property)
Could not get other consent
(e.g. planning live in (e.g. planning live in
conservation areal listed conservation
building)
Not sure what has been
recommended to me

Confused/don't know what to
do next

## Green Deal Assessment Experience Wave 2

## Fieldwork: 17th April - 1st June 2014

I34 (M) Why did you not choose to use the Green Deal finance package for (Measure)?
By Green Deal finance package we mean where you pay for the improvements through savings on your electricity bill
Base: All measures financed or expected to be financed outside of the Green Deal

## Unweighted Base

Weighted Base
Effective base
These weren't suggested
offered to me
Don't like borrowing/taking
out finance/prefer to pay
Out finant
Cost of installing the energy saving improvement(s)
was too small to bother with was
this
Applied for Green Deal
finance but have been turned down
Process too complex/delay
in process/took too long

Don't understand how Green
Deal finance worked/works

Green Deal finance package
interest rates are too high

Wanted to proceed straight
away/did not want to wait for cooling off period

| Total | Property type |  | Age of property |  |  | Length of time at property |  |  |  | Energy efficiency rating |  |

## Green Deal Assessment Experience Wave 2

## Fieldwork: 17th April - 1st June 2014

Base: All measures financed or expected to be financed outside of the Green Deal

## Weighted Base

Effective base
Woried that having Green Deal repayments linked to $m$ propertly will make it hard
to sell Worried that having Green
deal repayments linked to $m$ property will make it
difficult to switch energy suppliers

I was offered more
attractive finance e
wanted to use an installer who was not
Green Deal
Costs were covered b someone else e.g.g. landlord
local authority housing local authority
association)
Money from the cashback scheme or grant t(EC) made
she mat the improvements affordabie
without Green Deal finance Green Deal finance would not Green Deal finance would
cover all of the cost of the measures/Prefer to finantan
ail of the costs in one alace

Woried that having Green Deal repayments linked to $m$.
property will make it harder propert
fo sell Worried that having Green
deal repayments linked to $m y$ deal repayments linke
property will mak it
difficult pronerty will make it
difificult to switch energy
suppliers
supplier
I was offered more
attractive finance elsewhere
wanted to use an installer
who was not part of the Wreen Deal
Costs were covered by someone else (e.g. landlord
local authority housing local authority
association)
Money from the cashback
schem or or scheme or grant (ECO) made
the improvements affordable the improvements affordable
without Green Deal finance Green Deal finance would not coever dil of the cost of the
measures/ prefer to finance mearsures/preere to fill
all of the costs in one
place

## Green Deal Assessment Experience Wave 2

Fieldwork: 17th April - 1st June 2014

## Table 654

Page 3078 134 (M) Why did you not choose to use the Green Deal finance package for (Measure)?
By Green Deal finance package we mean where you pay for the improvements through savings on your electricity bill
Base: All measures financed or expected to be financed outside of the Green Deal

## Weighted Base

Effective base
Green Deal finance would not
over all of the measures/ prefer to to finance all of the costs in one
did not think that I would
was advised not to take assessor/installer/provider Negative media associated
with the Green Deal

It was free

Other

Don't know

|  | Measures installed |  |  |  |  |  |  |  | Whether used GD finance/ cashback for key measures |  |  | Whether GD finance mentioned by assessor |  | Whether assessor discussed eligibility for free/reduced cost measures |  |

## Green Deal Assessment Experience Wave 2

## Fieldwork: 17th April - 1st June 2014

Base: All measures financed or expected to be financed outside of the Green Deal
to sell
Worried that having Green
deal repayments sinked to $m y$
property will make it
difificult to
sulp witch energy
I was offered more
swhere
I wanted to use an installer
who was not part of the
who was not part of the
Green Dea
Costs were covered by
someone else (e.g. landlord
someone else (e.g.g. landial
local authority housing
local authoritt
association)
Money from the cashback
the improvements affordable
without Green Deal finance

## Green Deal Assessment Experience Wave 2

Fieldwork: 17th April - 1st June 2014

I34 (R) Why did you not choose to use the Green Deal finance package for (Measure)?
By Green Deal finance package we mean where you pay for the improvements through savings on your electricity bill
Base: All who financed or expect to finance outside of the Green Deal

## Weighted Base

Effective base
Worried that having Green Deral red thay having Green linked to $m$ propertyayments will inked make it hard
to sell
Worried that having Green
deal repayments linked to $m$ propertry will make it
difficult to switch energy suppliers
I was offered more
attractive finance els

I wanted to use an installer who was no
Green Deal
Costs were covered by someone else (e.e.g. landlord
local authority housing local authority
association)
Money from the cashback scheme or grant t (ECO) made
the improvement the improvements affordable
without Green Deal finance Green Deal finance would not Green Deal finance woula
cover all of the cost of the measures/prefer to finan
ail of the costs in one alace

Effective base
Green Deal finance would not cover all of the cost of the all of the costs in one place
Idid not think that I would
be eligible
was advised not to take
Green Deal finance by the assessor//installer/provider
Negative media associated
with the Green Deal
It was free

Other

Don't know

## Green Deal Assessment Experience Wave 2

Fieldwork: 17th April - 1st June 2014

Base: All who financed or expect to finance outside of the Green Deal
to sell
Worried that having Green
deal repayments sinked to $m y$
property will make it
difficult to switch energy
difficult to
suppliers
I was offered more
aftractive finance
I wanted to use an installer
Whanted to use an installe
who was not part of the
Green Deal
Costs were covered by
someone else (e.g. Iandlord
local authority housing
losal authontit
association)
Money from the cashback
scheme or grant (ECO)
scheme or grant (ECO) mad
the improvements affordable
the improvements affordable
without Green Deal finance
