\section*{Green Deal Assessment Experience Wave 2}

Fieldwork: 17th April - 1st June 2014

\section*{Table 26}

B7 Before you had your Green Deal Assessment, which of these things prevented you from doing more to make your home more energy efficient?
Base: All respondents

\section*{Unweighted Base}

Weighted Base
Effective base
Cost of improvements was too
high

No guarantee that it would
save me money
Didn't know what to do

Didn't know where to get
information
Didn't trust installers/
suppliers to give me
suppliers to give me
unbliased information
Confused/received
conflicting information

Hassle/disruption of making
improvements
May change character/
appearance of my home

May lose space (e.g. room
spacce storage space in
loft)
\begin{tabular}{|c|c|c|c|c|c|c|c|c|c|c|c|}

\section*{Green Deal Assessment Experience Wave 2}

Fieldwork: 17th April - 1st June 2014

Table 26
B7 Before you had your Green Deal Assessment, which of these things prevented you from doing more to make your home more energy efficient?
Base: All respondents

Weighted Base
Effective base
Structural considerations
(e.g. shared walls, lease
restrictions, planning
pemission needed, peri
permission needed, period
feacures in home, 1 ive in
conservation area)
No interest in energy
efficiency/green issues
Lack of time

Other priorities (e.g. work,
new baby)

Already doing enough

Landiora/freeholder woulan't
allow

Wasn't planning to stay here
long enough

Recently moved in / not been
here long
Other

C3 And which of the following measures did you think you might be able to have installed either for free or at a reduced price？
Base：All who were aware that they might be able to have measures installed for free／at a reduced price
```

Unweighted Base
Weighted Base
Effective base
Loft insulation (including
top up)
Cavity wall insulation
Solid wall insulation
Flat roof insulation
Room in roof insulation
C
Floor insulation
Mot water cylinder
Draught proofing
New boiler (e.g. upgrade to
condensing boiler)

\section*{Green Deal Assessment Experience Wave 2}

\section*{Fieldwork: 17th April - 1st June 2014}

\section*{Table 48}

Page 244

D2 What were the reasons for you having/agreeing to have a Green Deal assessment?
Base: All respondents

\section*{Unweighted Base}

Weighted Base
Effective base
To find out how to make property
efficient

To save money on energy
bills

To reduce energy use for
environmental reasons

Because our boiler/heating end of its life and we wanted to replace it
Because I was told we could
have improvements made fo have improvements made form
free/at a greatly reduced
price price
To make home warmer/more
comfortable/home felt cold
bills

Base: All respondents

\section*{Unweighted Base}

Weighted Base
Effective base
To find out how to make property
efficient
To save money on energy
bills

To reduce energy use for
environmental reacons

Because our boiler/heating
was broken or nearing the end of its life and we
,
have improvements made fo freelat a greatly reduced
frice

To make home warmer/more
comfortable/home felt cold
bills

\section*{Fieldwork: 17th April - 1st June 2014}

\section*{D2/D3 Which one of these would you say was the MAIN reason for you having/agreeing to have a Green Deal assessment?}

Base: All who had a say in whether or not the assessment took place

\section*{Unweighted Base}

Weighted Base
Effective base
To find out how to make
property
efficient
To save money on energy
bills
To reduce energy use for
envirionmental reasons
Because our boiler/heating was broken or nearing the
end of its life and we end of its itie and we
wanted to replace it
Because I was told we could
have improvements made fo freel/at a groently reduced
frice price To make home warmer/more
comfortable/home felt cold
concern about tising energy
