## Fieldwork: 17th April - 1st June 2014

I3 (M) Why did you have (Measure) installed?
Base: All key measures that have been installed
Unweighted Base
Weighted Base
Effective base
Was planning to do it anyway
To save money on energ
bills
Wanted a warmer/more
comfortable home
To help with associated
problems (e.g. condensation
pilness)
To reduce energy use for
environmental reasons
Because our boiler/heating
was broken or nearing the
was broken or ned
end of its life and
end of its life and we
wanted to replace
Availability of casnback
schemes d/iscounts to make
schemes/ discoounts to make
improvements
Because I could pay for it
using the Green Deal financ
using the Green Deal finance
(i.e. pay back through your
(i.e. pay back
energy bills)

## I3 (R) Why did you have (Measure) installed?

Base: All respondents who have installed a recommended key measure

## Weighted Base

Effective base
Because I could pay for it
using the Green Deal finance
(i.e. pay back throug your
(i.e. pay back
energy bills)

It was free/paid for by someone else e.e.g. landlord
local authority energy local author
company)
(Measure) was recommended by
friend/relative/word of
mouth
Saw (Measure) demonstrated
somewhere (show home public somewhere (sit
building etc)
The work was required by my
landlord/local authority/
housing assocociation/
freeholdar/other
organisation "I lidn't hav
a choice
I had been waiting for approval from my landlord/ local authority/housing
association/freeholder/othe organisation -but this was

instalied
Cashback was not available
for the installer I wanted
for the installer wanted
to use (including if you
wanted to do the work
yourself
I was told I I had to have
Other work done at the sam
time to be eligible (e.g.
time to be eligible (e.
loft or cavity wall
insulation)
The amount of cashback
available was too small to availaboe wast too sma
I do not/did not know how to
apply / I was not give apply, was not given
anough information on how to
apply
