

**ANNOUNCEMENT OF INTENTION NOT TO PREPARE  
AN ENVIRONMENTAL STATEMENT (Regulation 5 of the  
Environmental Impact Assessment (Land Drainage Improvement  
Works) Regulations 1999 as amended by SI 2005/1399 and  
SI 2006/618**

**Seaton Weir Replacement**

The Environment Agency gives notice that it proposes to carry out improvement works to the flood defences on the little Stour in Seaton nr Wickhambreaux at TR22959 58965. The proposed improvement works will involve the following: The replacement of the existing weir. The new weir will involve three separate structures creating two pools, these pools will enable fish to pass the structure. The new structures will be built immediately downstream of the existing one. The existing weir will be removed.

The Environment Agency considers that the improvement works are not likely to have significant effects on the environment and does not intend to prepare an environmental statement in respect of them. Further details are available from the Environment Agency office based at Addington nr Maidstone at the address given below.

Any person wishing to make representations in relation to the likely environmental effects of the proposed improvement works should do so, in writing, to the address specified below, within 28 days of the date of publication of this notice.
