

## Annex B: Impact Assessment – Section 9 Academies Act Duty: Unity Community Primary

School name	School type & characteristics	Capacity	KS2 2014 (% achieving level 4 or above in Reading, Writing, Mathematics Manchester Av = 79% England Av = 79%)	Ofsted grade	Impact rating (High, Moderate, Minimal)
<b>Marlborough Road Academy</b>	3-11 age range  Non-faith Academy Sponsor Led Mixed  Distance from free school site 0.2 miles	The school has a capacity of 420 and is oversubscribed by 2 places at reception entry point and has no surplus places overall.	Below the national and LA averages with 54% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Good 17 June 2014	<b>Minimal</b> This school is 0.2 miles from Unity Community Primary. It is oversubscribed by 2 places at reception entry point but has no surplus places across all year groups. Although KS2 results are below the LA and national average the Ofsted rating is Good. Therefore this school's long term viability is not expected to be affected by opening the free school.
<b>St Thomas of Canterbury Primary School</b>	3-11 age range  Roman Catholic Voluntary Aided Mixed  Distance from free school site 0.3 miles	The school has a capacity of 420 with 3 unfilled places at reception entry point and 5 surplus places overall	Well above the national and LA averages with 91% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Outstanding 20 January 2010	<b>Minimal</b> This school is 0.3 miles from Unity Community Primary. It is only slightly undersubscribed both at reception entry point and across all year groups. KS2 results are well above the LA and national average and the Ofsted rating is Outstanding. Therefore this school's long term viability is not expected to be affected by opening the free school.
<b>Cheetwood Primary School</b>	3-11 age range  Non-faith Community School Mixed  Distance from the	The school has a capacity of 210 with no unfilled places at reception entry point and a shortfall of 4 places overall.	Well above the national and LA averages with 92% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher	Good 14 January 2014	<b>Minimal</b> This school is 0.4 miles from Unity Community Primary. It has no unfilled places at reception entry point and a shortfall of 4 places across all year groups. KS2 results are well above below the LA and national average and the Ofsted rating is Good. Therefore this

	free school site 0.4 miles		assessment in 2014.		school's long term viability is not expected to be affected by opening the free school.
<b>St Chad's RC Primary School</b>	3-11 age range  Roman Catholic Voluntary Aided  Mixed  Distance from the free school site 0.4 miles	The school has a capacity of 196 with 1 unfilled place at reception entry point and a shortfall of 12 places overall.	Above the national and LA averages with 82% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Good 21 September 2010	<b>Minimal</b>  This school is 0.4 miles from Unity Community Primary. It has only one unfilled place at reception entry point and a shortfall of 12 places across other year groups. KS2 results are well above the LA and national average and the Ofsted rating is Good. Therefore this school's long term viability is not expected to be affected by opening the free school.
<b>Cheetham CofE Community School</b>	4-11 age range  Mixed  Church of England Academy Converter  Distance from the free school site 0.4 miles	The school has a capacity of 480 with 2 unfilled places at reception entry point and a shortfall of 1 place overall.	Above the national and LA averages with 84% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Good 15 January 2014	<b>Minimal</b>  This school is 0.4 miles from Unity Community Primary. It has only 2 unfilled places at reception entry point with a shortfall of 1 place across other year groups. KS2 results are above the LA and national average and the Ofsted rating is Good. Therefore this school's long term viability is not expected to be affected by opening the free school.
<b>Brentnall Primary School</b>	4-11 age range  Mixed  Non –faith Community School  Distance from the free school site 0.6 miles	The school has a capacity of 210 with 1 unfilled places at reception entry point and a shortfall of 3 places overall.	Below the national and LA averages with 73% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Good 11 December 2012	<b>Minimal</b>  This school is 0.6 miles from Unity Community Primary. It has only one unfilled place at reception with a shortfall of 3 places across other year groups. Although KS2 results are below the LA and national average the Ofsted rating is Good. Therefore this school's long term viability is not expected to be affected by opening the free school.

<p><b>Temple Primary School</b></p>	<p>3-11 age range</p> <p>Mixed</p> <p>Non-faith Community School</p> <p>Distance from the free school site 0.7 miles</p>	<p>The school has a capacity of 630 with no unfilled places at reception entry point and 78 surplus places overall.</p>	<p>Below the national and LA averages with 77% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.</p>	<p>Good 09 July 2013</p>	<p><b>Minimal</b></p> <p>This school is 0.7 miles from Unity Community Primary. It has no unfilled places at reception entry point but 78 surplus places across all year groups. This is because the school expanded its PAN in 2013 from 60 to 90 places to meet demand. KS2 results are slightly below the LA and national average although the Ofsted rating is Good. Therefore this school's long term viability is not expected to be affected by opening the free school.</p>
<p><b>St Boniface RC Primary School</b></p>	<p>3-11 age range</p> <p>Mixed</p> <p>Roman Catholic Voluntary Aided</p> <p>Distance from free school site 0.7 miles.</p>	<p>The school has a capacity of 210 with no unfilled places at reception entry point and with 5 surplus places overall.</p>	<p>Below the national and LA averages with 75% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.</p>	<p>Requires Improvement 24 June 2014</p>	<p><b>Minimal</b></p> <p>This school is 0.7 miles from Unity Community Primary. It has no unfilled places at reception entry point and 5 surplus places across all year groups. The school has a Requires Improvement Ofsted rating and below average KS2 results. Despite this, the school is Roman Catholic designated and is likely to remain popular with families wanting a Roman Catholic education. Therefore the free school is unlikely to affect the long term viability of the school.</p>
<p><b>Broughton Jewish Cassel Fox Primary School</b></p>	<p>3-11 age range</p> <p>Mixed</p> <p>Jewish Academy Converter</p> <p>Distance from free school site 0.8 miles</p>	<p>The school has a capacity of 350 with a shortfall of 7 places at reception entry point and a shortfall of 4 places overall.</p>	<p>Below the national and LA averages with 67 % of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.</p>	<p>Requires Improvement 17 June 2014</p>	<p><b>Minimal</b></p> <p>This school is 0.8 miles from Unity Community Primary. It has a shortfall of 7 places at reception entry point and a shortfall of 4 places across all year groups. The school has a Requires Improvement Ofsted rating and below average KS2 results. Despite this, as the school is Jewish designated, the free school is unlikely to affect the long term viability of the school.</p>
