FREEDOM OF INFORMATION ACT 2000 REQUEST REF: 0411-15

Thank you for your email of 29 April asking for information under the Freedom of Information Act 2000. In your request you asked for:

“a) the number of documents being withheld pursuant to my request for March 2004 flight data (FOI 0711-14), and b) the heading of each document or any other information which would signify the document type for each document being withheld”

I am writing to confirm that we have now completed the search for the information which you requested.

I can confirm that the Foreign and Commonwealth Office does hold information falling within the terms of your request.

There are 49 documents titled “General Declaration”, and one titled “Inward/Outward Crew Report” (which serves the same purpose as a general declaration), and one document titled “Monthly Report” for the period relevant to your earlier request.

Once an FOI request is answered, it is considered to be in the public domain. To promote transparency, we may now publish the response and any material released on gov.uk in the [FOI releases](#) section. All personal information in the letter will be removed before publishing.

Yours sincerely,

Overseas Territories Directorate
