**Subject:** Publication of the Shared Delivery Plan: 2015-2020

Dear colleagues,

I'm delighted to say that our Shared Delivery Plan: 2015-2020 is published today. The development of the Plan has been a truly collective effort across the health and care system and I would like to thank you and the teams in your organisations for the way you have engaged in this exercise. The Plan provides us with a clear set of shared objectives and priorities firmly aligned with the *Five year Forward View*, and sets out for the public, those who work within the NHS and social care and our partners and stakeholders how we aim to improve health and care over the next few years.

I know we will continue to work closely together to meet the challenges ahead and achieve the ambitions we are publicly committing to today.
