**LICENCE HOLDER:**

DONG ENERGY BURBO EXTENSION (UK) LTD.  
33 GROSVENOR PLACE  
BELGRAVIA  
LONDON SW1X 7HY

**COMPANY REGISTRATION NUMBER:**

07307131

**PREVIOUS VARIATIONS:**

N/A

The Marine Management Organisation (“MMO”) received a request on 24 February 2015 from Dong Energy Burbo Extension (UK) Limited for a variation to the deemed marine licence (DML) within Schedules 2 and 3 of The Burbo Bank Extension Offshore Wind Farm Order 2014 (“the Order”).

NOTICE IS HEREBY GIVEN that the MMO varies the DML in relation to the provisions of the DML specified in the first column of the table in the Annex to this notice, by substituting the words set out in the second column of that table with the words set out in the third column, under section 72 (3) (d) of the Marine and Coastal Access Act 2009.

This variation has immediate effect from the date of this notice.

In accordance with regulation 3 of The Marine Licensing (Notices Appeals) Regulations 2011, you may appeal the notice of variation to the First-tier Tribunal. If you wish to appeal then in accordance with Rule 22(1)(b) of the Tribunal Procedure (First-tier Tribunal)(General Regulatory Chamber) Rules 2009 (SI 2009/1976) you have 28 days from the date of the sending of this notice to send or deliver a notice of appeal to the First-tier Tribunal.

Signed:

Name and Position: Robin Snaith, Marine Licensing Case Officer

Date: 9 July 2015

Provision	Previous text	Replacement text
Schedule 2, Part 2, Condition 15	<i>“(1) Unless otherwise agreed, the undertaker must, in discharging condition 10(b), submit details for approval by the MMO in consultation with Natural England of any proposed surveys or monitoring, including methodologies and timings, to be carried out during the construction of the authorised scheme. The survey proposals must specify each survey’s objectives. In any event, such monitoring shall, where driven or part-driven pile foundations are proposed to be used, include monitored background noise measurements (during periods when piling is not being undertaken) and measurements of noise generated by the installation of all piled foundations.”</i>	<i>“(1) Unless otherwise agreed, the undertaker must, in discharging condition 10(b), submit details for approval by the MMO in consultation with Natural England of any proposed surveys or monitoring, including methodologies and timings, to be carried out during the construction of the authorised scheme. The survey proposals must specify each survey’s objectives. In any event, such monitoring shall, where driven or part-driven pile foundations are proposed to be used, include monitored background noise measurements (during periods when piling is not being undertaken) and must include details for measurements of noise generated at a minimum of four piling location; one pile from each of the first four structures with piled foundations.”</i>
Schedule 3, Part 2, Condition 15	<i>“(1) Unless otherwise agreed, the undertaker must, in discharging condition 10(b), submit details for approval by the MMO in consultation with Natural England of any proposed surveys or monitoring, including methodologies and timings, to be carried out during the construction of the authorised scheme. The survey proposals must specify each survey’s objectives. In any event, such</i>	<i>“(1) Unless otherwise agreed, the undertaker must, in discharging condition 10(b), submit details for approval by the MMO in consultation with Natural England of any proposed surveys or monitoring, including methodologies and timings, to be carried out during the construction of the authorised scheme. The survey proposals must specify each survey’s objectives.</i>

	<p><i>monitoring shall, where driven or part-driven pile foundations are proposed to be used, include monitored background noise measurements (during periods when piling is not being undertaken) and measurements of noise generated by the installation of all piled foundations.</i></p> <p><i>(2) The undertaker must carry out the surveys approved under sub-paragraph (1) and provide the agreed reports in the agreed format in accordance with the agreed timetable, unless otherwise agreed in writing with the MMO in consultation with Natural England.</i></p> <p><i>(3) The results of the initial noise measurements shall be provided to the MMO within four weeks of the installation of the last of the four piles, unless otherwise agreed with the MMO. The assessment of this report by the MMO shall determine whether any further noise monitoring is required.</i></p>	<p><i>(2) The undertaker must carry out the surveys approved under sub-paragraph (1) and provide the agreed reports in the agreed format in accordance with the agreed timetable, unless otherwise agreed in writing with the MMO in consultation with Natural England.”</i></p>
