Information Released

Companies House does not collate the information or statistics being sought. The information you require may be in the reports and/or final report filed to the registrar by the Insolvency Practitioner. The information could be sourced by searching for insolvent companies or those going through insolvency and looking through the final report.

You can search company status via the Companies House free company data product which provides a snapshot from the public register http://download.companieshouse.gov.uk/en_output.html

You could then search a company's insolvency data from our free Beta service <https://beta.companieshouse.gov.uk/help/welcome>
