

# **Construction – Consents estimates per local authority**

---

May 2016

# Consents numbers estimates – update

---

- Consents estimates based on current level of design with broad assumptions made
- Mobilisation of Contractors will enable a more accurate understanding of the numbers of consents as the programme and sequencing of works is determined, and the detailed design is developed.
- Planning consents – plans and specifications estimates provided per quarter for each planning authority
- Permanent highways consents – estimates provided for each highway authority, presented to highways subgroup in February 2016
- Temporary highways consents – broad assumptions provided
- Section 61 consents – estimates provided based on worksites in each local authority per year
- Lead Local Flood Authority consents – subject to subgroup discussions
- Bilateral meetings will be arranged with each local authority – by 8<sup>th</sup> July

# Schedule 17 Plans and specs estimates – May 2016

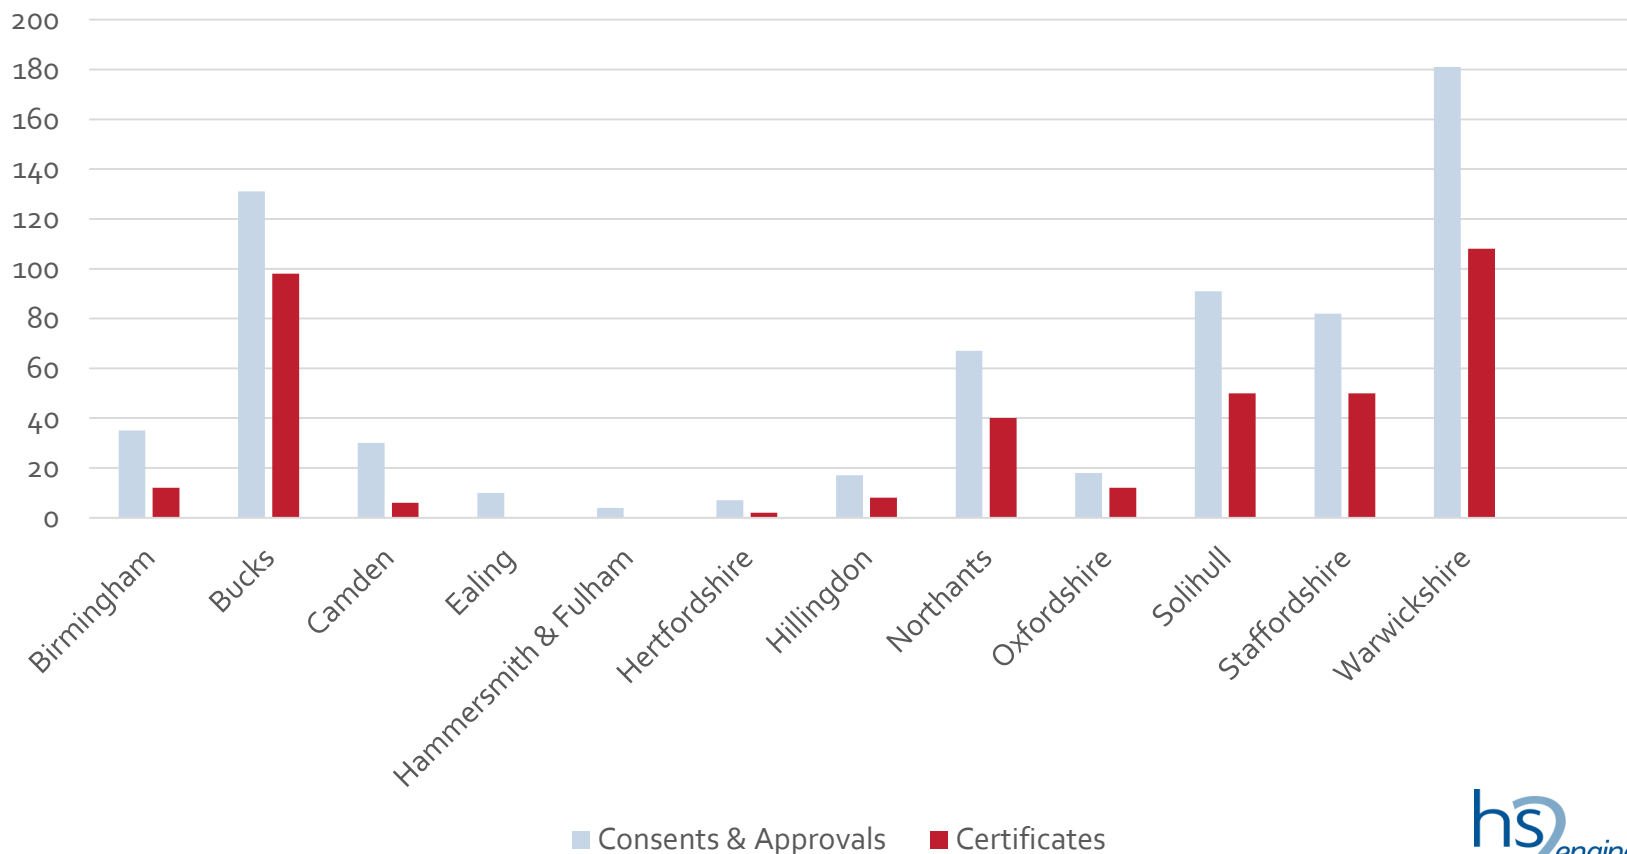

---

- Current estimates for plans and specs submissions per local authority.
- Multiplier of 4 applied to totals to reflect additional approvals required – construction arrangements, site restoration, modifications, and bringing into use approvals.
- Work progressing to refine numbers focussing on utilities, enabling works and consents packaging approach.
- Bilateral meetings will be arranged with each authority to discuss numbers and programme in more detail.

[see appendix A for spreadsheet]

# Consents and Approvals Strategy – Permanent Highway Works (Feb 2016)

Initial quantification: approx. 700 consents/approvals, 400 certificates

# Consents and Approvals Strategy – Permanent Highway Works (Feb 2016)

---

Highway authority	Consents & Approvals	Certificates
Birmingham	35	12
Bucks	131	98
Camden	30	6
Ealing	10	0
Hammersmith & Fulham	4	0
Hertfordshire	7	2
Hillingdon	17	8
Northants	67	40
Oxfordshire	18	12
Solihull	91	50
Staffordshire	82	50
Warwickshire	181	108

# Temporary Traffic Consents

---

- Estimate of 260 temporary traffic consents and notifications per highway authority per year, over seven year period.
- Discussions with DfT and Highways subgroup on submission process and packaging principles underway.

# Section 61 Consents

---

- Estimates of section 61 consents per local authority per year incl. prior consent, dispensation and variation applications.
- Methodology applied to estimates include urban v rural location of construction works, and proportion of worksites within a local authority boundary.
- EH subgroup have a working group of 5 local authorities which will meet with HS2 Ltd to discuss the LANC statement of expectations.
- Discussions will enable the estimates to be refined with processes and packaging better understood.

[see appendix B for spreadsheet]
