This form should be submitted prior to putting forward a full Project Proposal. The Embassy may accept or reject Project Concepts.

When the Embassy agrees a Concept, and invites implementers to put forward a full Project Proposal, it is not a guarantee that the full Project Proposal will be approved for funding. It signals the Embassy interest in receiving more details about the proposed project.

Before you complete this form, please check the Call for Proposals on the website of the British Embassy Pristina to ensure that your project proposal is aligned with the areas of interest and desired results set out in that document.
