

We were asked:

The total annual cost of the Devolved Welsh Government, using the most recent figures available, broken down into the following areas:

- (a) The total annual expenditure on salaries, expenses and benefits of Welsh Assembly Members and their employees,
- (b) The total annual expenditure on salaries, expenses and benefits of Welsh Ministers and their employees, including civil servants,
- (c) The total annual budget of each Welsh Government department,
- (d) The total annual expenditure on building maintenance.
