Under Section 16 of the Act (Advice and Assistance), you may find it helpful to note that in accordance with the response provided to FOI2016/06820, Osprey was never produced in DPM. A very small quantity of Osprey Mk3 systems were produced in a hybrid, 'temperate' pattern. However these were part of Project PECOC trials, therefore they were not assigned NSNs and were not issued as they did not enter service.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 2nd Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours sincerely,
