Freedom of Information Act 2000 Request

You asked for the following information from the Treasury Solicitor's Department ("the Department"):

Could you please advise us as to who the claimant is, their relationship to the deceased and who is dealing with the administration so that we can make contact with them on behalf of the beneficiaries we represent.

Your request will be dealt with by the Bona Vacantia Division ("the Division") under the Freedom of Information Act 2000.

The Division holds all the information that you have requested.

The Division has admitted a claim and the claimant is represented by Windsor Probate Genealogists & International Probate Researchers, 20 Lumley Court, 100 Brighton Road, Horley, Surrey, RH6 7JE.

I have withheld certain information from the file regarding the name of the claimant as it is exempt from disclosure under section 40(2) of the Act. The information is exempt from disclosure because it constitutes the personal data of a living individual as defined in section 1(1) of the Data Protection Act 1998 and disclosure of the information would be in breach of the data protection principles set out in Schedule 1 of that Act. In particular, disclosure of the information would contravene the first data protection principle, which requires that personal data be processed fairly and lawfully.
