AUDITOR'S REPORT (continued)

We have audited the accounts of the Association of Local Authority Chief Executives for the year ended 31 December 2014 which comprise the Income and Expenditure Account and the Balance Sheet. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Council members are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the entity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made; and the overall presentation of the accounts.

In our opinion:

- the accounts give a true and fair view of the matters to which they relate; and
- proper accounting records have been kept in accordance with section 28 of the Trade Union and Labour Relations (Consolidation) Act 1992; and
- a satisfactory system of control has been maintained over its transactions in accordance with the requirements of that section; and
- the accounts agree to the accounting records.

In our opinion the information given in this return for the year ended 31 December 2014 is consistent with the accounts.
