## Information request

The financial expenditure on the Flexible New Deal, Pathways to Work and New Deal for Lone Parents employment programmes for the financial years 2008/09 and 2009/10 broken down in to monthly figures

## DWP response

The tables below provide the data requested. Also please note:

1. Flexible New Deal only went live from October 2009.
2. The figures for Pathways to Work include the total cost of the programme both in districts where Jobcentre Plus provides the lead, and also where the provision has been contracted out.
3. The additional expenditure in March 2009 on Pathways to Work relates to the payment of some additional start-up costs that were made to providers (and which were offset by lower ongoing fees for the remaining life of the contracts).
