## PATENTS ACT 1977

Mr Hayward 3Y40

IN THE MATTER OF an application under
Section 72 by Timothy Paul Masters
for revocation of Patent No 2189146
in the name of Colne Financial Planning Services Limited

## **DECISION**

The applicant for revocation was warned in an Official letter dated 31 January 1996 that he had not filed evidence in support of his application. A period of one month was set for him to make submissions otherwise the Office would deem the application for revocation to be withdrawn.

In the absence of any submissions and after considering whether any action is necessary in the public interest in respect of the matters raised in the statement of grounds, I decide to make no order for revocation of the patent.

Dated this 26 day of June 1996
