Dear [REDACTED]

Thank you for your e-mail of 29 December asking for information about private aircraft landing at RAF Lossiemouth on 14th of September 2010. I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA). After a search of our records I can confirm that information is held within the scope of your request. You have asked the following:

To confirm if any and the number of private aircraft landed at RAF Lossiemouth on the 14th of September 2010. The confirmation of the financial cost to the RAF of this/these private aircraft landings and if possible the reasons stated for the landings of this/these aircraft

Two non MOD aircraft landed at RAF Lossiemouth on the 14th September 2010. Costs are held on how much these aircraft were billed at £161.82 and £249.95. The reasons for the landing and the cost (if any) to the RAF are not held.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely
