Further to our discussion on Friday, I can confirm that Mott MacDonald are on Lot 1 (professional design and engineering services) of our Collaborative Delivery Framework. CDF is available to local authorities. If you are interested you may want to discuss access to the CDF with [REDACTED] in our Procurement division who administers that framework - tel: [REDACTED] e-mail [REDACTED]@highwaysengland.co.uk.

Please let me know if I can assist further.

Regards,  
Simon
