Mr Speaker, in addition I should like to inform the House that, following discussion through the usual channels, the time usually allocated for Oral Parliamentary Questions to the Leader of the House that have previously taken place on a 6-weekly rota will now be used as additional time for questions to the Secretary of State for Culture, Media and Sport. A new questions rota is now available from the Vote Office.

Members should be reassured that I will continue to appear at the Despatch Box every Thursday morning at Business Questions and Members will be able to use this opportunity to ask questions they might have otherwise asked at Leader's orals.
