**USO 104 – COMDT’S CHILD PROTECTION POLICY**

**INTRODUCTION**

1 The MCTC recognises that it has a clear duty to protect children: children who come into the MCTC and children who come into contact with adults and young people that are in detention. This protocol, the related procedures and the training provided under the terms of this protocol, establish the roles and responsibilities of management and staff in discharging the MCTC responsibility towards the protection of children and is promulgated through the MCTC Child Protection Policy.

2. The MCTC Child Protection and Safeguarding Policy is in partnership with Essex Safeguarding Children’s Board who have a statutory responsibility for all children and young people in need or at risk in their area.
