Dstl Porton Down conducts less than half of one per cent of the total animal experimentation carried out in the UK.

Dstl's purpose is to maximise the impact of science and technology for the defence and security of the UK. As part of this, we develop and create battle-winning technology and protection equipment for UK Forces and Government. Our role in helping to protect the UK and its Armed Forces requires us to answer questions and develop solutions to problems that cannot currently be addressed without the use of animals in research.

Dstl Porton Down operates in accordance with the requirements of the Animals (Scientific Procedures) Act (ASPA) 1986 and fully embraces the principles of the 3R's (Replacement, Reduction and Refinement).

In respect to your request for copies of the minutes of Internal Ethical Review Committee meetings, the information discussed at these meetings was given in confidence by members of staff undertaking requirements under the terms of the Animal (Scientific Procedures) Act and is, therefore, exempt from public release under Section 24 of the Act (ASP). This section states :

"24. Protection of Confidential Information.

(1)A person is guilty of an offence if otherwise than for the purpose of discharging his functions under this Act he discloses any information which has been obtained by him in the exercise of those functions and which he knows or has reasonable grounds for believing to have been given in confidence".

This exemption would mean that release of even the redacted minutes of these meetings would be withheld from release in accordance with section 44 of the FOI Act, (Prohibition on Disclosure).

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you may apply for an independent internal review by contacting the Information Rights Compliance team, 2nd Floor, MoD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MoD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.
