How will any settlement stick?

- Growing consensus that international community – with both a civilian and military presence - must stay in Kosovo even after final status has been resolved to ensure fair play and that the terms of any settlement are fully respected. How long we need to stay will depend on developments on the ground.

Should Kosovo be independent?

- Not for UK to decide. But independence is clearly one option to be considered. Any settlement must be negotiated and must not be wrought by violence.
