NOTES TO THE ACCOUNTS

(see notes 72 and 73)

All notes to the accounts must be entered on or attached to this part of the return.

ACCOUNTING POLICIES

Accounting convention

The Annual Return has been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

This may not be appropriate because at 31 December 2014 the Union's liabilities exceeded it's total assets by £691 (2013 - £336) and had net current liabilities of £1,576 (2013 - £336). The officers however believe that with the continued growth in membership numbers that it is appropriate to prepare the Annual Return on the going concern basis which assumes that the Union will continue in operational existence for the foreseeable future.

If the Union were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce balance sheet values of assets to their recoverable amounts, and to provide for further liabilities that might arise, and to reclassify fixed assets and long term liabilities as current assets and liabilities.

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 33% on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the income and expenditure account on a straight line basis over the period of the lease.

Fund accounting

General funds can be used in accordance with the objectives of the Union at the discretion of the Executive Committee.

AUDITOR'S REPORT (continued)

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF SOLIDARITY

We have audited the Annual Return of Solidarity for the year ended 31 December 2014 on pages 4 to 18. The financial reporting framework that has been applied is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the Union's members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Executive Committee and auditors

The Executive Committee's responsibilities for the preparation of the Annual Return in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Executive Committee's Responsibilities.

Our responsibility is to audit the Annual Return in accordance with applicable law and International Standards on Auditing (UK and Ireland). We report to you our opinion as to whether the Annual Return gives a true and fair view and is properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and the Trade Union and Labour Relations (Consolidation) Act 1992. We also report to you if, in our opinion a satisfactory system of control over transactions has not been maintained, or the Union has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the Annual Return sufficient to give reasonable assurance that the Annual Return is free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Union's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the officers; and the overall presentation of the Annual Return. In addition, we read all the financial and non-financial information in the Report of the Executive Committee to identify material inconsistencies with the audited Annual Return and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF SOLIDARITY

Opinion on financial statements

In our opinion the Annual Return:

- gives a true and fair view of the state of the Union's affairs as at 31 December 2014 and of its deficit for the year then ended;
- has been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- has been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

Going concern

In forming our opinion on the Annual Return, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the Annual Return concerning the Union's ability to continue as a going concern. The Union incurred a net loss of £355 during the year ended 31 December 2014 and, at that date, the Union's liabilities exceeded its total assets by £691 and had net current liabilities of £1,576. These conditions, along with other matters explained in note 1 to the Annual Return, indicate the existence of a material uncertainty which may cast significant doubt about the Union's ability to continue as a going concern. The Annual Return does not include the adjustments that would result if the Union was unable to continue as a going concern.

The maintenance and integrity of the Solidarity website is the responsibility of the officers; the work carried out by the auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the Annual Return since it was initially presented on the website.
