School name	Type	Distance from FS (miles)	School capacity	Surplus places (May 2014)	Surplus places at point of entry year	Attainment 2014	Inspection rating	Inspection date	Impact rating
LA						80%			
National						79%			
Queensbridge Primary School	Community School	0.3	390	0	1	94%	Outstanding	06/07/2011	Minimal - This school is 0.3 miles from the free school. The free school is unlikely to have an impact on the viability of this school due to its current Ofsted rating, lack of surplus places and the high performance of this school.
Holy Trinity Church of England School	Voluntary Aided School	0.3	207	19	0	100%	Outstanding	26/04/2013	Minimal - This school is 0.3 miles from the free school. The free school is unlikely to have an impact on the viability of this school due to the current Ofsted rating and high performance of this school.
Hoxton Garden Primary	Community School (Pipeline Academy)	0.4	416	132	26	74	Requires Improvement	13/12/2013	Moderate – This school is 0.4 miles from the free school. Ofsted rated this school as 'requires improvement', and there are a number of surplus places, therefore this

									school may be impacted upon by the new free school as parental choice increases. However, this is likely to be mitigated by increasing basic need and the fact it is due to be sponsored.
Our Lady and St Joseph Roman Catholic Primary School	Voluntary Aided School	0.4	210	-2	-1	90%	Outstanding	23/11/2012	Minimal – This school is 0.4 miles from the free school. The free school is unlikely to have an impact on the viability of this school due to the current Ofsted rating, the RC designation, lack of surplus places and high performance of this school.
Randal Cremer Primary School	Community School	0.4	420	9	0	64%	Requires Improvement	31/01/2014	Minimal – This school is 0.4 miles from the free school. Ofsted rated this school as requires improvement. However, due to the fact that it is a popular school which has no surplus at point of entry and the increasing basic need, it is unlikely to feel an impact from the new free school as parental choice increases.

Whitmore Primary School	Community Primary School (Pipeline academy)	0.4	430	58	3	73%	Outstanding	02/05/2013	Minimal – This school is 0.4 miles from the free school. Ofsted rated this school as outstanding and there are only 3 surplus places at point of entry. This combined with the increasing basic need, means that it is unlikely that this school will be impacted upon by the new free school as parental choice increases.
De Beauvoir Primary School	Community School	0.5	420	69	13	No KS2 data	Good	14/12/2012	Minimal – This school is 0.5 miles from the free school. As the school has been rated good by Ofsted and there is increasing basic need in the area, it is unlikely that the school will be impacted upon long-term.
Rotherfield Primary School	Community School	0.5	408	72	6	72%	Good	01/05/2014	Minimal - This school is 0.5 miles from the free school and the school has been rated good by Ofsted. Despite the surplus of 17.6%, the Ofsted rating and the fact that there is increasing basic need in the area, mean it is unlikely that the long-term viability of the

									school will be affected.
St Paul's with St Michael's Primary School	Voluntary Aided School	0.6	207	20	5	89%	Good	08/11/2012	Minimal - This faith school is 0.6 miles from the free school. The school has been rated good by Ofsted and their attainment scores are above the LA and national average at 89%. This and the faith designation of the school means that despite the surplus of 9.6% of places it is still unlikely that the school will be affected.
St John the Baptist Voluntary Aided Church of England Primary School	Voluntary Aided School	0.6	377	73	4	88%	Good	26/04/2013	Minimal - This faith school is 0.6 miles from the free school. The school has been rated good by Ofsted and their attainment scores are above the LA and national average at 88%. This and the CoE designation of the school means that despite the surplus of 19.4% of places it is still unlikely that the school will be affected.
St Jude and St Paul's CofE Primary School	Voluntary Aided School	0.6	210	13	0	89%	Good	27/11/2014	Minimal – This school is 0.6 miles from the free school. The school has been rated good by

									Ofsted and their attainment scores are above the LA and national average at 89%. The free school is unlikely to impact on the viability of this school due to the CoE designation and high performance of this school.
Sebright School	Community School	0.6	436	45	7	87%	Good	19/11/2014	Minimal - This school is 0.6 miles from the free school. The school has been rated good by Ofsted and their attainment scores are above the LA and national average at 87%. Despite the 10.3% surplus of places, the free school is unlikely to impact on the viability of this school due to high performance and the increasing basic need.
