Engagement covering Buckinghamshire

Community Forum events covering Buckinghamshire:

There were 6 rounds of Community Forums between March 2012 and September 2013, which amounted to 47 separate meetings in 8 different areas covering Buckinghamshire. Topics of discussion included:

- Local issues and concerns
- HS2 work programme and timetable
- Property compensation, safeguarding, and blight notices
- Environmental Statement
- Future community engagement (post Royal Assent)

Consultation events covering Buckinghamshire

In addition to engagement through the community forums the following consultation events were held:

Nov 12-Jan 13	Phase 1 discretionary Compensation Scheme	4 events
May-Jun 13	Draft Environmental Statement & Design Refinements*	8 events
Oct-Nov 13	Property Compensation	8 events

HS2 Ltd continues to hold a large number of bilateral meetings with local residents, environmental groups individuals and local councils.

*Consultations on the draft Environmental Statements were held in each of the 8 areas. In four where significant changes to the scheme were proposed, those events also included a Design Refinements consultation.
